

Transit Stakeholder Forum: the Future of Smart Moves

Discussion Guide • September 25, 2014

The Regional Transit Coordinating Council will launch an update to the Smart Moves Regional Transit Vision in early 2015. We'd like to hear from you as we begin the process. Below, please write down any thoughts you may have about the plan's direction, what should be included, what you think is working well, etc. Your input is greatly appreciated!

The logo for Smartmoves, featuring a stylized grey icon of two overlapping circles to the left of the word "Smartmoves" in a bold, sans-serif font. The entire logo is tilted diagonally upwards to the right and is positioned above a dotted line that extends across the top right of the page.

1. What should our collective vision be for transit in the Kansas City region?

2. What do you see as the biggest strengths and weaknesses of the existing transit system?

Strengths:

Weaknesses:

3. What do you see as the biggest strengths and weaknesses of the current Smart Moves plan?

Strengths:

Weaknesses:

4. Based on the goals of Smart Moves, what regional projects would like to see pursued? Feel free and draw on the SmartMoves map, too!

5. Due to limited resources, please rank in order the transit-related improvements you would like to see pursued.

Extending existing routes or service areas

Increasing the frequencies of existing services

Improvements to existing infrastructure

Adding services to new corridors

Other (Please specify):

6. What ideas do you have specific to the process to update Smart Moves Vision?

Transit Stakeholder Forum // Participant Questionnaire
